Hi Steve. The FTA has been pondering what the City has put forth. Unfortunately, we don't yet have a resolution to share. I will call you tomorrow and provide you with an update as it evolves.

Hi Steven,

Just checking again for any status on proposal submittals. The FAA has agreed to put me as the POC so that any requests can be run through me and I'll find the responsible party.

Thank you.

Hi Steve. The "new proposal(s)" will probably be what people think it (they) will be, but not until there is general agreement at levels higher than mine. Whatever it (they) is (are), will go to you with a cc to Pete. And, we still need to understand the conditional ALP process in the context of our schedule. Thanks!
