Attachments: Jacobs TO2 WO1-Honolulu-MPS Meeting 10-03-02.doc

Toru – On March 2, 2010, we held a meeting with your Project Controls staff to discuss the Master Program Schedule (MPS). We agreed to provide a summary of the discussions, so your staff had a clear understanding of our assessment and recommendations regarding management of the MPS. Attached for your use and distribution is a comprehensive summary of the items discussed. This summary was prepared by Charles Neathery, who will be available if your project team requires further clarification or has any questions.

Please know that we are not expecting a response to this report. We only wanted to convey our thoughts as you continue to develop the tools necessary to manage this project during PE.

Thanks,
Timothy L. Mantych, P.E. (MO, IL)
