I would be pleased to meet with him but I can't do so in a representative capacity. If he would be willing simply to informally discuss prospects, that will be fine. See you at 8:45. Carl

Hi Carl –

Jesse Souki (City's Deputy Corporation Counsel) would like to meet with you tomorrow before the "big" meeting. Are you available to meet at 9:00 a.m. at our office? He would like to hear your idea regarding doing a separate EA. I can pick you up at your hotel at 8:45 a.m. if that is ok? Please let me know. You can either email me or call me at the number below or at (808) 478-0118.
