Paul-I believe your plan is the proper one. I'm on my b-berry & not near a computer at this time, but please refer to articles in FTA News Digest on FTAnet from last weekend where HNL Mayor issued press release announcing that FAA & FTA will be in HNL this week for meeting w/ locals to address issues/impacts arising from current alignment at airport. The subject meeting is being led by FAA with Ray Sukys & Renee Marler of TRO-9 participating in supporting, observer capacity. Wediscuss further tomorrow. Thanks!

Leslie

Fill me in.

BTW, I plan on saying there won't be any media interviews scheduled.

Hi Paul,
I understand that a number of representatives from FTA will be in Honolulu this week. Could you please put me in touch with the appropriate press person for scheduling interviews while they're here?
Thanks,
Adrienne
