Hi Carl -

When our project manager (Toru Hamayasu) found out that you would be in Honolulu, he wanted to have a chance to meet with you. He asked that I find out when this meeting can occur; either after you arrive in Honolulu on Monday (we could meet you at the Airport) or on Tuesday during or after the alignment tour. I am considering having someone else meet Ray and Renee at the Airport on Tuesday and having that person take Ray and Renee to tour the alternative Airport alignments. Please let me know what would work best with your schedule.

Regardless of what you decide, I and Lawrence Spurgeon will meet you at driveway of your hotel (Doubletree Alana) at 8:30 a.m. on Tuesday. If there are specific places that you would like to see, please let me know. You have my blackberry number and now my email address. Looking forward to meeting you.

Corrected version.

Hi Carl,

Faith Miyamoto will come to the Doubletree Alana on Tuesday the 16th at 8:30am to give you a tour of the alignment. She can be contacted at 808 478-0118.

Renee and I will be at the airport (Hawaiian Air at 11:30am on the 16th) to meet you for a tour of the alternative alignments down Koapaka and Ualena Streets. We will also go over to Keehi Lagoon Park and the maintenance facility site.

My cell is 415 517-3213.

I am thinking about picking up a rental car after our tour since the meeting site is on Hickam AFB.
