I'll be there on Monday, Ray. Jim suggested the Doubletree Alana (I guess that's where he stayed when he was there); in any event, that's where I'll be. I'll have my cell phone with me, so give me a call at (703) 867-4675. Carl

Hi Carl,

Glad to hear you are coming. I suggest that you be available Tuesday, the 16<sup>th</sup>, for tours. Renee and I will arrive about 11:15am and we will tour the area near the airport where the alternative alignments go. I could set up a tour of the other parts of the alignment for you to tour during the morning and then we could all meet at the airport.

The Hilton Hawaiian is the place to stay with a government rate of \$177. The FAA, Renee and I will be there. We plan to depart on Thursday around 12:35 pm.

Ray

I am going to Honolulu, Ray. A favor, please: where would you suggest I stay (that would not exceed government rate) and who could I ask to show me the alignments? I would much prefer that Liz could go (I'm too old for cross-country jaunts), but I've been tapped. I plan to get some maps and other materials from Jim. Thanks. Carl
