We're up to 18 questions -- not counting the detailed follow-up questions. Mr . Apo has acknowledged the need to separate the broader issues appropriate for their discussion with the administrator from the technical issues that will be deferred to the subsequent meeting with FTA staff. We may or may not get an update conveying questions reorganized into the two separate lists.

Jim,

Sorry for piecemealing this to you. I have added the last 4 question set (15-18). I would still like to better organize this, but it might be a while before I am able to sit down and do that. So wanted to get this to you.

Aloha,  
Todd
