Nice synopsis of some very complex issues Jim. This is fine to me, for Peter is well up to speed on the Honolulu issues.

Leslie, Ed and Ray-- this paper looks good to me. Jim did not include a paragraph on the Feb. 8 letter from the City, as it is our understanding that the City has already or will immediately issue NTP#1A. If you don't expect any fall-out (contact between the sponsor with S-1 or the Hill on this matter), we don't need to mention the letter in this paper.

Jacqui Bennett has asked for this briefing paper ASAP. Peter is briefing the Secretary on Honolulu tomorrow morning at 8:30 AM and the Councilmembers meet with Peter at 1 PM tomorrow. So please give us any changes or your concurrence as soon as you can. Thanks. Susan

Attached is the draft paper. Council Chair Apo required that the other members submit to him yesterday (Sunday) the questions that they intended to ask. I had hoped to get a copy and still may, but haven't yet. So I'm just guessing about the topics for discussion.
