Hi Steve –

I heard from HDOT that you met with FTA in San Francisco this week. I have been tasked with requesting a briefing regarding this meeting as soon as possible. The City was told by the FTA Administrator that it is ok for us to communicate directly with FAA. Please let me know when you will be able to talk to us.

Also, it is my understanding that there is to be a followup meeting with all of the stakeholders (FTA, FAA, HDOT and the City) regarding all of the analyses/discussions that have occurred. I am certain that you know how anxious we are to have this meeting. Can we schedule this at this time?

Thanks for all your help.
