Hi Ted -

Heard via the coconut wireless that the PA was transmitted to SHPD for their further processing toward execution last week. Can we get a copy of the PA so that we can get started on our legal review?

Also, when you have some time, can we schedule a call to discuss some other issues. Thanks.

Faith

Hi Ted -

Thanks for last week's update.

Hope the FTA legal review is almost complete. Any idea when the PA can be sent to the SHPD for their internal review? I am concerned that SHPD needs to have NPS review prior to allowing them to sign the PA. I don't know how long this will take and so it would be good to get it to them as soon as possible.

Also, can we get a copy of the final PA so that we can have our attorney review it? You have said that there were only word changes, but we need to have our attorney review it.

We are anxiously awaiting any word regarding the FAA issue.

Thanks.

Faith

Hi faith, nothing new to report. We did have an internal call this week on next steps and we're trying to tie up our legal review to move forward.

I'll let you know.
