On February 12<sup>th</sup> I had sent the attached backup information on NTP #1A to Nadeem, Kathy and Tim. I realize this information might also be useful for Jim and Ed and as a reminder to Nadeem, Kathy and Tim about the contract references for the elements we intend to include in NTP #1A.

People:

As discussed earlier today, here is a pre-final draft of the NTP #1A Notice-to-Proceed letter which we intend to send to Kiewit.

I am also attaching a copy of our letter to Kiewit asking them to confirm their understanding that no construction or design work is included in the previous NTP #1. I had wanted to also give you Kiewit's response letter and I was unable to get it before close of business, so I will send it along first thing tomorrow morning. If you have any questions about this material, please give me a call.

Regards,

Simon
