Toru:

I passed this request (but not your e-mail) on to Susan Borinsky this morning. She replied with a question on whether the councilmembers want to meet with the administrator in addition to a meeting with us staffers. I replied with an assertion that they want only to meet with staff.

Is that correct?

Susan also copied Beth Day (New Starts office) and Carl Bausch (environment office) on her reply; so I anticipate that they will attend.

I have not heard back yet. Will let you know when I do.

Jim

Jim,

Would you and Susan Borenski be available to meet with Councilmembers Todd Apo (Kopolei and West) and Ikaika Anderson (Windward) on March 8 or 9? I can call Susan if you prefer that I call her direct. I believe you and Susan had met with those two separately in the past. They are supporters and would like to hear what they've been hearing themselves.
