Jim – The City has made some changes (in red) to the Roadmap based on the call yesterday and has asked whether there are any comments on their proposed changes. The only item I believe was not specifically discussed on the call yesterday was “1.03 - Updated Airport Layout Plan (ALP)”.

Thanks,

Tim:

Attached is the updated Roadmap after our teleconference yesterday. Changes are indicated in red. Please let me know if you have any comments and I will then have Julia finalize on PS and we will start populating next week.
