Subject: TRNS Honolulu Rail Transit Project Administrative Record

Aloha, Renee and Chris,

The Project team is working on pulling together documents and communications for the administrative record. I have reviewed several resources on this issue including Edward Kussy's, "[Presenting and Defending Administrative Records](#)," which he wrote in 1992 (revised in 1998).

I have two questions for you:

1. Is there particular guidance that the FTA uses or recommends?
2. Who should I coordinate with from FTA? I understand that someone from FTA or an attorney from DOJ would be assigned. Is there anyway of knowing who that might be?

Thank you for your help.

Sincerely,
Jesse K. Souki
