Ted-
Faith asked me to respond to you. This property is in the fourth section where the rail shifts from Queen Street to Kona Street (RW044 in appendix C in the administrative draft). It is a full take due to the location of the building on the parcel requiring us to demolish the building. I hope this answers your questions. Please let me know if there is any additional information you require.

Regards,
Laura

Faith, we have a hardship acquisition request for the property at 1156-1164 Waimanu Street. Renee has directed me to get a confirmation that this property is needed for the project and the details of the impact on the property, full or partial taking, etc. Can you provide this?

Thanks,

Ted
