Cathy - All of the maps, drawings and other backup documents are posted on the ProjectSolve site. The size of most of the files would difficult to transmit via email. I can put together a list of all documents reviewed with file names and descriptions for your reference. Would that be sufficient?

Thanks
Tim

Subject: Honolulu Project - PMOC Report on Airport RPZ Avoidance Study

Cathy/Ray – The attached DRAFT PMOC Report provides our assessment of the City and County of Honolulu's Airport Runway Protection Zone Avoidance Study. The study produced for the Grantee showed three options to the current base alignment to assure that the Honolulu High-Capacity Transit Corridor Project is not in conflict with safety clearance zones required for operations on Runway 22L/4R.

Please let me know if you have any questions.

Thank you,
