John,
Is there any way for us to be able to get a copy of the ICRMP. I am asking the project historians to begin documentation of the Navy's Makalapa Housing Zone for Section 106 eligibility to support your discussion with SHPD, and that would should be consistent with your plan.

Subject: Makalapa Housing Zone Boundary

Aloha All,
The Navy would like to call a teleconference for tomorrow to discuss the Makalapa Housing Zone Boundary issue as it relates to the Honolulu High Capacity Rail Project. As you all know, this issue has received quite a bit of attention in the last few weeks. We would like to get together with everyone to discuss the issue, make sure we are all on the same page, and see if we can agree on a way ahead. I tried calling some of you today to see if a time could be set for the teleconference, but decided that would be best to get this word out to everyone as quickly as possible. Teleconference time and call in information follows. Please let me know if there are any questions or problems.

Date: Wednesday, January 6, 2010
Time: 9:00 AM (HST) / 11:00 AM (PST) / 2:00 PM (EST)
