Jim--I'm forwarding your e-mail to Matt and Beth, hoping that when they meet with Peter today they will remind him about the highly time sensitive (1) Honolulu letter and (2) SF final design approval package. Peter has the draft Honolulu letter in an e-mail from me. And the SF FD package went to TCA yesterday. Both correspondences need to go out ASAP. (I'm not in the office today, Jim, but will be in tomorrow and will follow-up, although I hope you hear about Honolulu before then.) Susan

Susan: Ed points out that we're hoping to get the letter out this week. The mayor's letter asserted that the environmental work could be wrapped up by the end of the month and we're hoping to get a reply to him before the end of the month arrives. Have you gotten any response from the administrator and, if not, do you think he's aware of the time crunch? Thanks. Jim
