Thanks, Steve.

This very helpful.

If you are OK with the big waves, we are OK with the big snow and are good to go.

When I send the Agenda please forward to HDOT since I don't have an e-address.

Jim

**Importance:** High

Jim, here is the best version of what we have on the airport alignment. These are also contained in the EIS Appendix B. That's the only graphic the City has that will help with the conference call on Monday. Since you are sending out an agenda and we don't know who will be on the call, please include this with the agenda. Thanks!

Steve

FEIS drawings attached. NOTE there are 2 sheets for Lagoon Station at different locations. I'm not sure which one you want to send.

Jim
