Subject: 106 PA clean-up

Faith:

We are a few words away from wrapping up the staff-level 106 PA draft. As you know, this will go on to our respective managements for review and signature (or further comment).

Blythe recommends that the Navy be a full Signatory and we have made that change. Ted has informed you of the changes around the Little Makalapa Historic Area. Please work with Randy and Pua on this.

Also please take the Salt Lake Alt off the attached PA maps. The Signatories agree that it would create too much confusion.

Thank you,

Jim
