**Subject:** FW: HNL Transit EIS Cooperating Agency Request Letter

Hi Carl and Jim,

I just received this letter. Having the FAA as a cooperating agency should clear up all the various stories about what is possible in locating the guideway and station at HNL. Hopefully they will resolve the path forward on the RPZ as well. If you don't have any issues with this, I recommend that we issue a letter approving the FAA request.

Ray

Hi Ray,

Per our discussion yesterday, attached is the letter requesting cooperating agency status for the Honolulu Transit Corridor Project EIS. The original will be mailed to you.

Pete
