Subject: Honolulu 106 PA

Blythe, Nancy:

Attached is a "marked up" copy of the PA for Honolulu. It represents the draft after consideration of all comments received. The mark ups are points of discussion for us when we can talk. Using this draft as a starting point, we'd like to schedule a time next Wednesday or Thursday, December 16 or 17, to discuss the document.

Please advise me as to your availability on those two days and if you need any more information and have any other questions.

thanks,

Ted Matley
