Lawrence,

I opened up the files just fine with the link. I will upload again and send John a new alert.
John, If you are still having issues with the files, let me know and we'll work something out.

Laura

Aloha Lawrence,

I seem to be having problems connecting to this link. When I click on it, it tries to go there, but after a few seconds, quits and nothing. Maybe just the Navy system. Anyway, would appreciate it if you could check it out and see if there is a problem, or if there is another way we can get a copy of the document and the 2 attachments. Thanks.
