Nancy:

I spoke with the acting division manager in the Honolulu Airports District Office Gordon Wong. He said that on something like this the best point of contact would be the division manager, Ron Simpson. The number is 808-541-1232. He will be back in the office next week. In the meantime I will forward the letter to Ron. Thanks for sending it along. I hope this is helpful.

FAA Letter on Honolulu

Daphne:  
Here is the letter. If you don't get a contact until next week, please provide the information to Chris Van Wyk.
