Do you have the Honolulu profile prepared? We need to finalize the report on November 30<sup>th</sup>, which requires that I print out the report for QA/QC reviews and page numbering.

Thanks,  
Beth

Hi Jim

Could you please prepare a profile for the Annual Report for the Honolulu project? Attached is the Hartford profile that you can use as a template. Can you let me know if you think you would be able to have it ready by Thursday? We save the profiles to the following location on the O:drive

O:\TPE\TPE-22\New Starts Reports\FY2011 New Starts Report\document\Part 02 - Appendix A\06 draft PE profiles

Thanks,  
Beth
