Ted,

As we discussed on the phone. The City has received 100s of comments on the Project since the close of comment period on the Draft EIS. Also prior request for a long extension of the comment period was responded to with a 30-day extension. I have attached my analysis of the Koolani letter. Per your request, these are a set of rough thoughts and notes, not a developed response. Let us know if you would like something more official. As mentioned we met with the owners on October 15, I have also attached notes from that meeting.

We are putting more detail in the HHF response matrix and will get you a copy.

Lawrence
