Aloha...!

Dorval just dropped by to let Peter and I know about the last Honolulu situation, with FAA. Could Dorval and I get a copy of the final version of the letter sent last month to Mr. Yoshioka regarding the approval of PE, which contained a number of concerns? I have a final draft, but not the final, somehow. As well Dorval would appreciate the briefing paper(s) that was back-up to the recommendation. For me, I'd love to see the FAA correspondence (reminds me of BART to Oakland Airport...). Look for an e-mail from Nancy to set up a briefing tomorrow on this subject for Peter, in advance of returning a call he received from Wayne Y.

Thanks much!

Therese
