Subject: RE: Bi-weekly New Starts

Please note Wednesday's New Starts meeting will last only 50 minutes due to another meeting the Administrator must attend afterward with the Secretary. As a result, the agenda has been pared down to the following two items:

- UTA Draper Corridor -provide the Administrator with an update prior to his meeting with the project sponsor this Thursday
- St. Paul-Minneapolis - provide the Administrator with an update prior to his trip to Minneapolis next week

The Administrator is already aware of the Honolulu and Houston University issues and will provide feedback to us at another time. The Orlando New Starts team is still discussing how to proceed with the project sponsor; a discussion with the Administrator may not be necessary at this time.
