Susan: Just a comment on your first comment in section 1.

Leslie: FYI as a briefing the TPE AA assembled for the group. The general message was clear – follow the NEPA/NS process, thus squelching their desire to corner us of their schedule driven inquiries.

Please look over my notes to my file and add, delete, correct as necessary. I'd like to have a good record of our meeting today. Thanks. Susan.

PS -- Joe, sorry you missed the meeting. If you want to discuss, please check with me or one of the other folks who were present.
