Faith:
Attached you will find a file of things that need to be done sooner rather than later.

1. FTA needs to see SHPD concurrence on the determination that iwi kapuna are not NRHP eligible.
2. We have a WHEREAS that needs insertion into the draft PA linking 106 with AA.
3. ACHP needs a write up linking 106 screening and AA development (also needed for the FEIS), and
4. I have included a write-up of HQ view on the Dillingham alternative for the 106 matrix currently under development.

Thank you and have a good week-end.
Jim
