I think you are mixing up Honolulu and Houston. There are two letters to send to Honolulu that Peter wanted to review prior to them being sent. One is on state safety oversight and the other is on NEPA issues. We wanted to send these in advance of a quarterly mtg being held Tuesday

There is also a Houston Univ PE approval that Peter wanted to see before we send the 10 day notice. He wanted to coordinate with jackson-lee's office I believe

Peter said he would work to review the Honolulu package from Boston today. There will likely be outreach to Hawaii members of Congress in conjunction with the ten day notification. The notice will likely occur on Monday.

Please remind me, is there a quarterly or other Honolulu-FTA meeting on Tuesday? Thank you.
