Subject: Honolulu High-Capacity Transit Corridor Project Section 106 PA

Hi Everyone –

Just following up on the possibility of meeting tomorrow afternoon.

Everyone should have received a copy of ACHP's comments this afternoon. We are preparing a version of the PA that responds to these comments. In addition, we are inputting those comments and our responses into the matrix of comments that were received on the PA from Day 1. The intent would be to distribute the PA and matrix to all of the consulting parties next week.

If you would like to meet tomorrow afternoon, please let me know. Due to the time difference, we were not intending to set up a conference call number.
