Toru: You should have received the PE approval letter by now and so I have asked our PMOC to coordinate the agenda for our PE kick off meeting scheduled for November 3rd and 4th and additional detailed review of some items on November 5th. The session on Thursday will include the PMOC and possibly myself as well. I have attached a copy of the PE approval letter here as well. We look forward to seeing you and please call me if you have any questions. Thanks.
