Hi Russ –

I attached the track change version of the de minimis letter for your review. In addition to the paragraph that we spoke about, we are suggesting a few minor changes. Please let me know if you agree with these changes.

The second word file shows the DAGS proposed additional paragraph and what we are proposing to change it to. We think it clarifies the City's intent to "consider" the actions listed. Please let me know if you agree. We can then finalize and send it to you for your concurrence.

In the track changes version of the letter, we incorrectly deleted Laura Thielen's concurrence line. Just want to confirm that we also need Ms. Thielen's signature.

Thank you very much for all your help.

Faith
