**Subject:** RE: Honolulu Rail Project

Faith, there are several statements made in this letter regarding Hawaii state law and the constitution, etc. Can your legal Counsel provide Renee with an analysis of their claims regarding state issues? If they want to discuss in more detail they should contact Renee directly.

Hi Ted –

Attached is letter from Native Hawaiian Legal Corporation re: Ms. Kaleikini. Her attorney wants to be included in Section 106 Consulting Party Meeting. Please advise as to how to handle on Wednesday.
