Peter--As of mid-day yesterday the Honolulu PE approval package was sent for final executive-level internal review (Leslie, Susan S/Sean, Beth and me). The package should get to you for sign-off on Monday. (We're shooting for c.o.b. today, but I can't promise that without checking with the Region and TPM.) If the 10-day notice goes to the Hill on Monday, Region IX could issue the approval letter on Oct. 9. I'll give you an update later today. Susan

You may recall that I asked you in the cafeteria a bit ago to let me know where things stood with Honolulu's new financial plan and your sense of the timing on their request to get into PE. Could you shoot me an email in the morning updating me on the outlook. Many thanks. -P
