Dave,

The current PMOC is Booz Allen Hamilton. However their contract will end this month and a new PMOC may received the Task Order for Honolulu. I am asking John Bell to provide more information as appropriate. I totally concur with Brth's comments above.

Aaron

Dave -- I think the question is asking for the name of our PMOC assigned to Honolulu, not the grantee's name. If we give out the PMOC name, we should clarify that all direct questions should be submitted to FTA and not to the PMOC. The PMOC works for us but does not speak officially for us when questions arise from the public. A previous and similar request came in for the Honolulu project and we specified then that questions should be directed to us not PMOC. TPM will have to provide name of PMOC

Please confirm with Beth, but I think the project sponsor is the City and County of Honolulu.
