Subject: Honolulu Rail Project

Hi Blythe –

We would like to get some clarification regarding cumulative effects, the effects determination and mitigation (is it appropriate for us to mitigate non-effects, effects that have not been concluded through the effects determination process). Would we be able to discuss these issues with you on a conference call early next week, like Tuesday or Wednesday morning, at about 8:00 am (Hawaii), 11:00 am (Pacific), 2:00 pm (Eastern)? I asked FTA if it was ok for us to talk and Ted said that they would join us on the call.

Please let me know when would be a good time for you. Also, Ted, if you could let me know when would be good for you. Looking forward to discussing these issues next week.
