Thanks, Ron, for being so responsive. We can start talking on Sunday after you arrive on details. I think the best approach is to have you and me chat then we'll do a group session at the office with others like Phyllis to voice various concerns I may miss. Please call me after you check in.

Toru,

Thanks again for bringing me on board. I will arrive in Honolulu later on Sept 12 as we discussed and leave at 9:00pm on Sept 16. I hope we can make some progress in the interim. Let me know how you want to proceed. I will be staying at the Marriott a block from the Waikiki Banyon.

I look forward to being there. Ron
