yes, I believe that was Blythes point, she refers to all consulting parties. Sorry if I wasn't clear on that. If we have to we should delay the meeting into next week but I'll write an email you can distribute with FTA's view on the mitigation remaining to give them something to think about, this may help the process if we ask them to come to the next meeting with better defined impacts and mitigations.

Hi Ted -

I did not ask. Thought it was more important to get signatories availability. Do you want me to poll them before we set meeting?

Faith

What about the other consulting parties? Have you gotten any feedback on their availability?

Hi Ted -

Wanted to update you on the status of the PA. PB will be providing the City with the newest PA on Monday morning.

The following are the results of my polling the signatories of their availability on Wednesday or Thursday (August 26 or 27):

ACHP - Blythe is available on either day with advance notice

AR00128799

NPS - Elaine (NHL manager) is available either day, but would like Frank (Pacific Manager) and/or Melia to be available. Both are unavailable both days.

SHPD - Pua (SHPD Administrator) is available either day. Nancy (Deputy SHPO) is not available both days.

Navy - John (Historic Point of Contact) responded that Thursday afternoon works best for them.

Except for the Navy, who has not responded to signatory invitation, at least one representative of ACHP, NPS and SHPD, is available both days. The City's preference would be to have the meeting on Wednesday morning. What is FTA's guidance on this matter?
