Subject: Honolulu Rail Project Section 106 PA

Hi Ted –

Wanted to update you on the status of the PA. PB will be providing the City with the newest PA on Monday morning.

The following are the results of my polling the signatories of their availability on Wednesday or Thursday (August 26 or 27):

ACHP – Blythe is available on either day with advance notice

NPS – Elaine (NHL manager) is available either day, but would like Frank (Pacific Manager) and/or Melia to be available. Both are unavailable both days.

SHPD – Pua (SHPD Administrator) is available either day. Nancy (Deputy SHPO) is not available both days.

Navy – John (Historic Point of Contact) responded that Thursday afternoon works best for them.

Except for the Navy, who has not responded to signatory invitation, at least one representative of ACHP, NPS and SHPD, is available both days. The City's preference would be to have the meeting on Wednesday morning. What is FTA's guidance on this matter?
