Subject: Honolulu Rail Project Section 106

Hi Ted –

We were allowed back in the building as of 1:30 p.m. this afternoon. Hope you were able to discuss the Section 106 issues that we are facing.

As I mentioned before, I will be rescheduling the August 18 meeting to the following week, which I hope will be the last meeting with the Consulting Parties. I wanted to have a meeting with the signatory agencies at the time originally scheduled for the August 18th meeting at 10:00 a.m. However, before we talk to the rest of the signatory agencies, I wanted to have a discussion between FTA and RTD; wanted to know what FTA's position would be on the stipulations that RTD has decided not to include, etc.

Would you be ready to have this discussion tomorrow? We will be available whenever is convenient for you. Please let me know.
