Subject: Honolulu AA/DEIS--A Win!

Dear Colleagues,

I just received a fax signed by Ed Hirata informing me of our selection to negotiate a fee for the AA/DEIS project. The selection becomes "official" and final when we succeed in negotiating a fee with the City and County of Honolulu. Client asks that we treat this information with discretion and restrain for now. I thank all of you for your help in this win and congratulate Dick Page, Mark Scheibe and the entire team for a job well done in winning what will be an important first job of the largest capital program undertaken in the state of Hawaii. Hoah!
