Joe:

I believe the answer is that the City follow's its own rules for public hearing. Is this written anywhere? I know Honolulu will want a reference. Thanks.

Hi Donna -

Hope you received your copies of the MIS/DEIS.

We are now preparing the notification for the public hearing. HDOT has specific requirements regarding notification, once 30 days prior to public hearing and a second not less than 5 days or more than 15 days before. I need to double check this. My question to you is if FTA has specific requirements for the public hearing. Please direct me to those.

Thanks.
