Subject: RE: TOA-1 and Governor's Call on Honolulu

Ray:

We had a meeting with Parsons Brinkerhoff people yesterday on a project in NC, but they took the opportunity to inform us that they have been asked by their client (the City and County of Honolulu) to interpret the agreement(s) reached by Jenna and the governor of Hawaii during their recent conference call. I asked Matt Welbes about it and he said that Leslie participated in the call and may know what is going on. Is there anything that TPL should know about or do?

Thanks.

Joe

Joe,

I understand that Leslie Rogers probably participated in the Honolulu conference call. He might be able to talk about any outcomes from the meeting.
