Hi Pua -

Thanks for relaying the message. We will distribute the changed PA early next week.

We appreciated the opportunity to meet with you, Betsy, Kiersten, Elaine and Melia on Monday. Now we know what we all look like.

Thanks again.

Faith

Hi Faith,

We had a discussion about meeting tomorrow and decided that it would be better if you send us the changed PA and give us a week to review. A meeting tomorrow would preclude a reasonable discussion, especially as Blythe would not be available and we would not have had an opportunity to review the changes.

Pua Aiu

Subject: Honolulu High-Capacity Transit Corridor Project Section 106 PA

Hi Everyone –

Just following up on the possibility of meeting tomorrow afternoon.

Everyone should have received a copy of ACHP's comments this afternoon. We are preparing a version of the PA that responds to these comments. In addition, we are inputting those comments and our responses into the matrix of comments that were

AR00124267

received on the PA from Day 1. The intent would be to distribute the PA and matrix to all of the consulting parties next week.

If you would like to meet tomorrow afternoon, please let me know. Due to the time difference, we were not intending to set up a conference call number.
