Here are four more letters. AIA and E Noa are good to go.

The Genadio letter needs further explanation. Chris, can you take a look at the responses to comment 1571 and Appendix E (both at the end)? I have the original letter if you want it.

The Renee Ing letter needs a few changes.

Let me know if you have questions.

Thanks!

Liz is off today. Would you please divvy up the letters and respond appropriately. At this point, we're only concerned about fatal-fatal flaws. Many thanks. Carl
