Hi Ken –

I received your previous email on HDOT getting reimbursed for project coordination and reviews. I have been asking around if it has been done before and if so, how do we go about doing it. I will get back to you as soon as I can get resolution on this issue.

Faith,

I won't be able to make it, and I will be sending someone. Probably just one. Thanks for the update.

Also, I was wondering if you saw my previous email on possibly getting reimbursed for project coordination and reviews for our project level staff. We're not looking for reimbursement for our administration and managers. Let me know, since it appears the staff cost may be substantial since this will be for several years.

Thanks, Ken

Subject RE: FHWA Mtg

Hi Ken –

After a week of meetings upon meetings, I am trying to catch up on responding to some of the emails that I received. I apologize for not being able to speak with you this past week, but am glad that you have been coordinating with Jodi from FHWA.

The briefing scheduled for this coming Thursday was requested by FHWA in response to our offer that was transmitted with the Administrative Draft EIS. FHWA wanted an overall briefing with some clarification on the following:

- Interface with H-1 and H-2
  - Especially the proposed access ramp for the proposed park-and-ride
  - Reasoning for and design aspects of the ramp
  - Interstate ROW needed near airport
  - Will the Project be in interstate ROW

There was some concern on our part that our discussions with HDOT regarding the H-2 access ramp had not been as far along as we are now prepared to discuss with FHWA and therefore, wanted you at the meeting with FHWA. We are happy that HDOT will be at Thursday's meeting. I spoke with Jodi yesterday and she said that HDOT can bring as many people as you would like. I guess you should let her know how many she should expect, so that she can get enough

chairs.

Thanks for doing all the coordination.

Faith,

Sorry, I missed your call, I just got back to the ofc fr Hilo. Jodi fr FHWA left a message on the same thing you called about.

I was wondering how many we could bring to the meeting, and what it would be on, such as a summary of the draft EIS or expectations of our review or both.

I'll call you tomorrow, not sure when, since I'll be on Maui at the HCPO the next two days, but I'll be checking email, so can email too.

A hui hou and thanks, Ken
