Subject: Transmit Corridor Submittals

Dear Lawrence:

I am sorry that I have not had the opportunity to return your call...things are particularly busy in the office. Thank you for the "heads up" regarding the Transit Corridor transmittals, which we have not as yet received, but which I imagine, per your indication, are forthcoming. We will look forward to discussing the project with you further upon their receipt.

Thanks so much and I hope you are having a great day.

Best,

Astrid
