Ted, this confirms our conversation earlier this morning that Honolulu staff will be in San Francisco on Tuesday, August 12th to brief Region 9 on the administrative draft of the DEIS (and other matters as determined by FTA). Our target date for submitting the administrative draft is still on August 4th. If we FedEx it on August 4th, Region 9 will receive it the next day and HQ will get it the following day.

Phyllis, the 12th works for us, but this is contingent with us having the document in advance, according to the schedule it appears your target is August 4. If that schedule should slip significantly we might have to adjust things, so keep us advised.

Aloha kakahiaka (good morning). I hope you had a great 4th of July weekend.

We are looking forward to hearing from you the date of our August meeting so we can start making travel arrangements. Our preference is August 12th or 13th but any day that week will be o.k. Is there an outside chance that Joe Ossi will be able to attend the meeting in San Francisco?

Have a balmy day!

Phyllis
